

## Datasheet DELTAPURE® Cleanroom Paper A4

Product Information\*:  
ISO Class 4-8  
GMP - EU Grade C-D

### Product Informations

#### Applications

DELTAPURE® Cleanroom Paper reduce the risk of particle generation associated with standard papers. With its low particle generation offers excellent performance characteristics that are essential in critical environments. The good strength and excellent heat resistance, making them ideal for use in laser printers and photocopiers.

#### Benefits

- Use like normal paper for writing, copying and printing
- Packed for cleanliness
- Low levels of particles and extractables
