

## PurMop® SET2070

Stainless Steel Telescopic Handle | Medium Length

ISO	3	4	5	6	7	8
GMP		A/B		C	D	

### Product description

PurMop® SET2070 is a stainless steel telescopic handle of medium length. The long-term autoclavable and disinfectant resistant handle has a handle grip at the end which ensures optimal user-friendliness and safe handling during cleaning. Thanks to its clip system a quick and tool-free attachment of all available PurMop® mop frames is possible.

- \_ Polished stainless steel, durable
- \_ Suitable for wall and ceiling cleaning
- \_ Autoclavable, suitable for sterile cleanrooms
- \_ Handle grip for ergonomic cleaning
- \_ Quick-change clip system
