

PurMop® SEP140

Stainless Steel Handle | Fixed | Long

ISO	3	4	5	6	7	8
GMP		A/B		C	D	

Product description

PurMop® SEP140 is the lightest stainless steel handle in our PurMop® product range. It is characterized by its high-quality detail processing, its polished stainless steel surfaces and a plastic handle grip for ergonomic cleaning. Thanks to its clip system a quick and tool-free attachment of all available PurMop® mop frames is possible. This lightweight handle is fully autoclavable.

- _ Polished stainless steel, durable
- _ Autoclavable, suitable for sterile cleanrooms
- _ Handle grip for ergonomic cleaning
- _ Quick-change clip system
