BASIC CLEANERS ALKALINE

AGIL

Item-No. 90.121.632 10-l-Canister

- **highly effective** basic cleaner for removing multiple layers of polymers and wax
- for all alkali-resistant flooring, such as PVC and stone
- **not** for use on linoleum, caoutchouc, asphalt, marble, unsealed parquet, wooden floors and textile coverings
- good wetting and emulsifying properties
- easily removes stains, oil and fat residues
- for use with automatic machines

APPLICATION RANGE:

For basic cleaning of all alkali- and water-resistant flooring, such as PVC, natural and artificial stone, clinker and clay plates and industrial flooring. Not for textile and varnished surfaces. Refer to chart for recommended use.

INSTRUCTIONS FOR USE AND DOSAGE:

Subj. to type, age and strength of coating levels to be removed and to degree of soiling, apply Agil in 1:3-1:6 and use cold water for dilution. Wipe cleaning solution over surface. Allow 10-15 minutes penetration time. Use proper pad for scrubbing. Strip off soiled liquid and rinse several times with clear water until surface is neutralised. Splashes of dilution must be removed immediately with a damp cloth.

Conduct a material compatibility test on a small area before starting.

No liability will be assumed for improper application and legal claims resulting therefrom..

TECHNICAL DATA:

Form: clear liquid
Scent: like eucalyptus
Viscosity: low
Density: 1060 g/L
pH-value in aqueous solution: 14

INGREDIENTS:

Below 5 %: non-ionic surfactants, phosphates
Additional contents: perfumes
Giscode: GG 90
Storage life: at least one year in original containers.
The surfactants contained in this preparation comply with the biodegradability criteria as specified in Regulation (EC) No. 648/2004 on detergents.

LABELLING:

Danger

Contains potassium hydroxide

Hazard statements: H314: Causes severe skin burns and eye damage.

Precautionary statements: P102: Keep out of reach of children. P280: Wear protective gloves/eye protection. P305+351+338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. P303+361+353: IF ON SKIN (or hair): Remove immediately all contaminated clothing. Rinse skin with water/shower. P301+330+331: IF SWALLOWED: rinse mouth. Do NOT induce vomiting. P310: Immediately call a POISON CENTER or doctor.

TRANSPORT: UN number: 1814 / Shipping name: POTASSIUM HYDROXIDE SOLUTION / Transport class: 8 / Packing group: II / ADR.
